

Absolutely, amazing holiday! Been to Hunstanton many times on holiday, but first time to The Garden Flat, we will definitely come back, flat perfect. Location great, so much room, front and back entrances and gardens spotlessly clean, we loved it!

How lovely to walk into The Garden Flat and see all the lovely Christmas lights and the Christmas Welcome Pack. We had another good break here visiting our relative locally. We hope to return in 2023. Our dog loves the sensory gardens for his walks.

We had a lovely rest, even though it was cold outside we were cosy inside. Looking forward to visiting again in June. We are going home happy, calm and relaxed.

Another lovely stay at The Garden Flat. Perfect location, spacious, comfortable, spotlessly clean and very well equipped. We had a very relaxing week, enjoying beach walks Hunstanton, Wells and Heacham and warm cosy nights in. Thank you for the tea, milk, biscuits etc. which were very welcome and C enjoyed the turkey and cranberry doggy bones! A massive 'Thank you' from the 3 of us we'll be back!
